1. At the Deputies' Meeting this morning [REDACTED] said that [REDACTED], who has recently returned from [REDACTED] was in to see him to praise the Agency and particularly the Medical Staff for the excellent attention they had given to [REDACTED] who was evacuated to the States a few weeks ago.

2. I attended a breakfast with nine members of the Acorn Club (Republican members of the House of Representatives elected to the 85th Congress). Mr. Dulles, General Cabell, Messrs. Bissell, Amory, Kirkpatrick and [REDACTED] were all there and the briefing which followed seemed to be well received by the entire group.

3. Jim Garrison reported that he had visited the [REDACTED] in consideration of the Photographic Intelligence Center space problem and that this building was an excellent possibility. There are 2,000 square feet of space available.

5. Also at the Deputies' Meeting this morning:

a. The Director discussed the reassignment of [REDACTED] and decided that he should return to headquarters on or about 1 June and assume his new duties as a Special Assistant to the Director for Coordination. This will eliminate the present position of Deputy Director (Coordination). (In this connection, at the Supergrade Board Meeting today it was indicated that [REDACTED] would replace Jes [REDACTED] and that this had been a very difficult choice to make inasmuch as he and [REDACTED] were both very carefully considered.)
